MAGICIANS & MENTALISTS

Leave your guests with magical souvenirs and memories they will talk about for years to come!

Providing a new twist on traditional magic. From close-up magic miracles performed right in-front of you, to mind-reading that can unlock your memories. Perfect for walk-around entertainment or as a dynamic stage show.

Walk-around Magic - Magic in motion is designed to happen right in your guests' hands and minds.

Interactive Stage show - A miracle is just moments away! This is NOT just a show, it is a shared experience your guests will talk about long after the night ends. Expect impossible feats, laughter, and mind-reading packed with a killer ending.

The Grande Experience - The night kicks off during cocktail hour, with close-up magic to spark excitement. After dinner, the real show begins. An interactive performance which is designed to get everyone connecting.

Bespoke ideas - have an extra special event?

Bespoke finale - tailor a grand ending that culminates with a souvenir they will treasure for years to come!

Custom playing cards - whether it is your birthday or your big day, get guests to leave notes for you on your own brand of bespoke playing cards you get to keep and treasure, long after the event is done!

Custom walk-around tricks - Just let us know the brief of the event and watch us come up with custom magic built just for you!

DHOL & TABLA

*The rhythm of celebration...
Tradition meets modern sophistication.*

When the drums begin, the room comes alive. Every beat tells a story of rhythm, culture, and connection. Our Dhol and tabla players, each with over a decade of experience, don't just perform; they create moments people feel. From the first conversation, we work with you to shape how the day should sound, move, and unfold. Whether it's a high-energy baraat procession, an elegant reception, or a show-stopping dance floor entrance, every single performance is crafted around your story and atmosphere.

Bespoke ideas - have an extra special event?

- **Custom entrance sequence** to match your theme or song.
- **Fusion performances** with saxophonist or DJ for East-meets-West energy.
- **Percussion-led champagne entrance** or dinner reveal moments.

SAXOPHONIST

Smooth, soulful, and stylish, saxophonists set the tone for unforgettable moments.

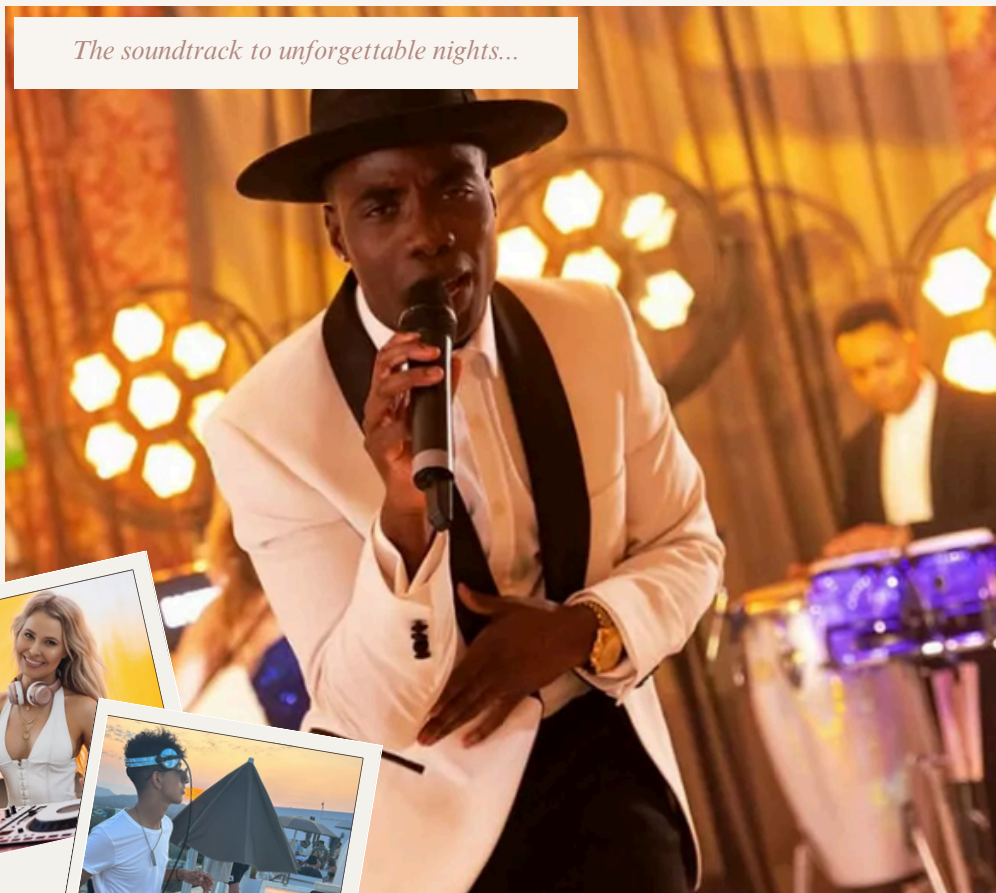

From sultry jazz to upbeat party classics, our saxophonists bring an atmosphere of sophistication and tons of energy. Whether solo or alongside a DJ, their music creates the perfect soundtrack to elevate drinks receptions, dinners, and dance floors.

DJ PACKAGES

The soundtrack to unforgettable nights...

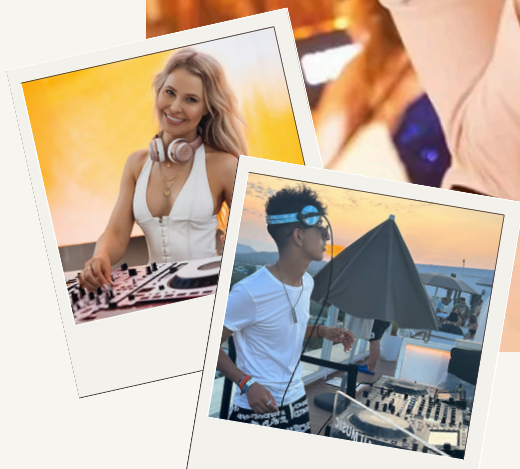

We are proud partners of one of the leading musical agencies in the world. Known for crafting extraordinary wedding and event soundtracks. Their experienced DJs are masters at reading the room, from soft ceremony melodies and cocktail ambience to the high-energy beats that ignite the dance floor. Every playlist is curated to reflect your unique taste, ensuring a seamless flow from the first dance to the final track.

For truly special occasions, our bespoke experiences go beyond the booth - live fusion sets, immersive after-party projections synced to photo highlights, and tailored DJ packages that match your venue and décor.

Whether in London or a dream destination abroad, allow us to bring world-class expertise, flawless mixing, and unforgettable energy to every celebration.

Bespoke ideas - have an extra special event?

- **Live fusion** with saxophonist, violinist, or percussionist.
- **Curated music** timeline matching event flow - from when your guests arrive right to that final song.
- **Afterparty DJ** in tandem with photo/videography highlight reel projection.

ILLUSTRATORS

Turn your guests into works of art, creating bespoke keepsakes that capture the moment.

Our illustrators bring events to life by sketching guests in real time with style and flair. Whether fashion-inspired portraits or playful quick sketches, every guest leaves with a personalised memento they'll treasure long after the night ends. We can create personalised cards themed for your event that the illustrators can draw right on to!

Bespoke ideas - have an extra special event?

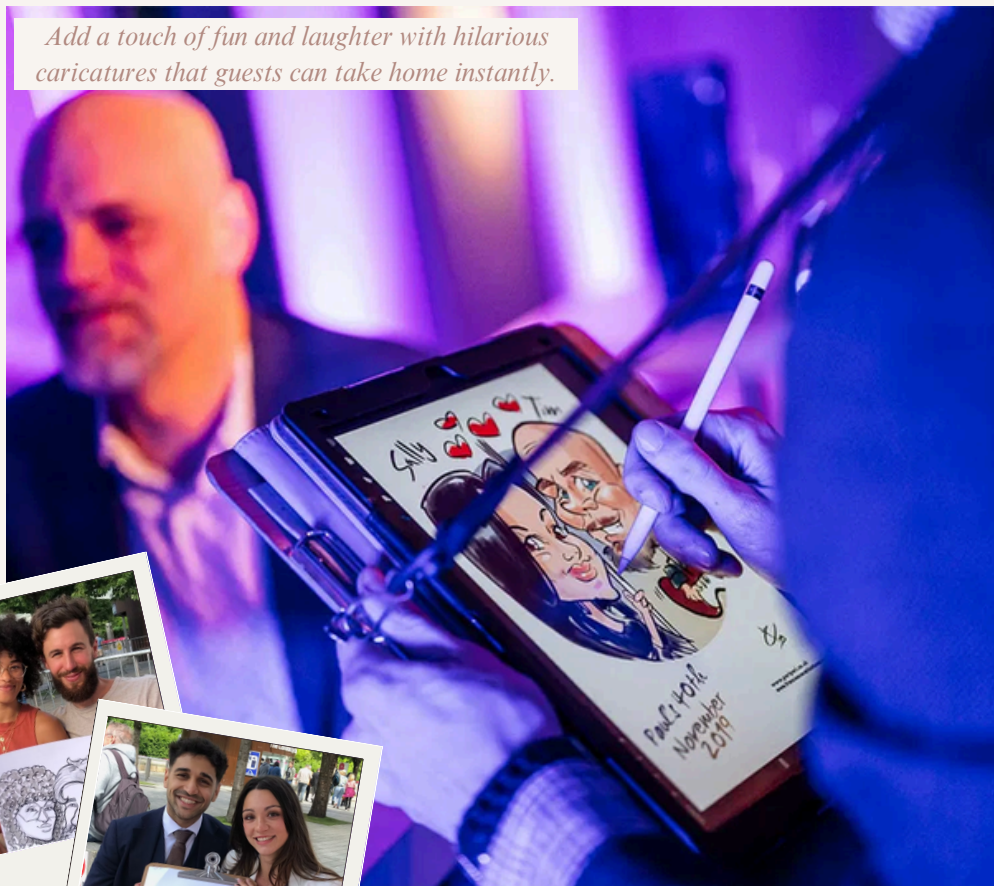

Guest Outfits - Why not surprise your guests with pre-printed outfits on their illustration cards? This allows our artists to take more time to capturing their beautiful detail, while the bespoke card itself becomes a timeless keepsake.

Wedding Ceremony Painting - On your special day, let one of our illustrators capture the magic of your ceremony. A live artwork created in the moment becomes a one-of-a-kind heirloom of your wedding that you'll cherish forever.

CARICATURIST

Add a touch of fun and laughter with hilarious caricatures that guests can take home instantly.

Caricaturists are the perfect icebreakers, blending entertainment with artistry. They capture personalities with wit and charm, leaving guests smiling as they collect their one-of-a-kind souvenirs.

Bespoke ideas - have an extra special event?

Guest Outfits – Why not surprise your guests with pre-printed outfits on their caricature cards? From elegant evening wear to themed costumes, this allows our artists to focus on capturing each guest's unique expressions while giving them a charming keepsake to treasure.

Themed Backgrounds – Incorporate your venue, or even a skyline for a customised backdrop.

Branded Frames – Add your monogram, wedding date, or company logo to each caricature card for a polished, personalised finish.

Colour Highlights – Upgrade from traditional black-and-white sketches with pops of colour that match your theme (bouquets, ties, accessories).

Couple Portraits – Have our caricaturists capture you and your partner in a larger format artwork as a centrepiece memento of the day.

Digital Caricatures – Provide guests with both a physical caricature and a digital copy they can share instantly on social media.

BALLOON ARTISTS

You'll hear the laughter before you see the balloons

Everyone knows that children love balloons, but Miss Ballooniverse has brought the art form to a different level of sophistication for clients looking for an original and show-stopping mix and mingle entertainment. Balloon caricatures... an uncanny likeness in 3D latex, that your guests can wear, created before your eyes.

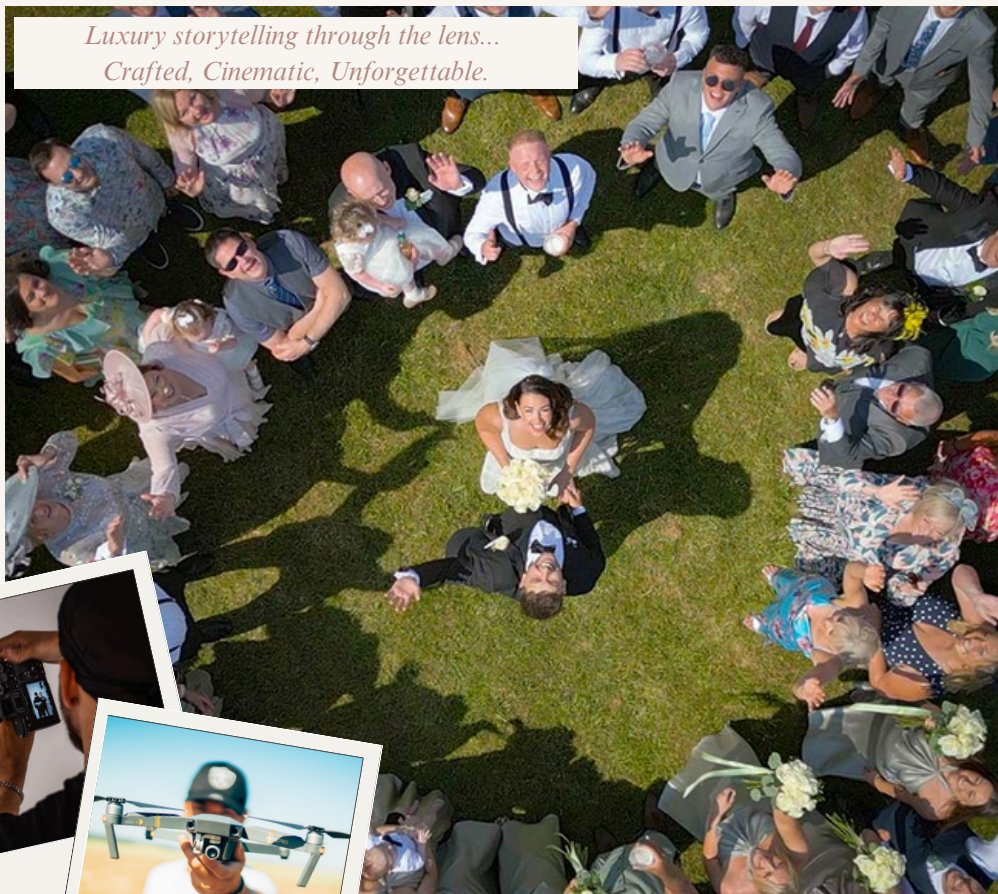

Bespoke ideas - have an extra special event?
